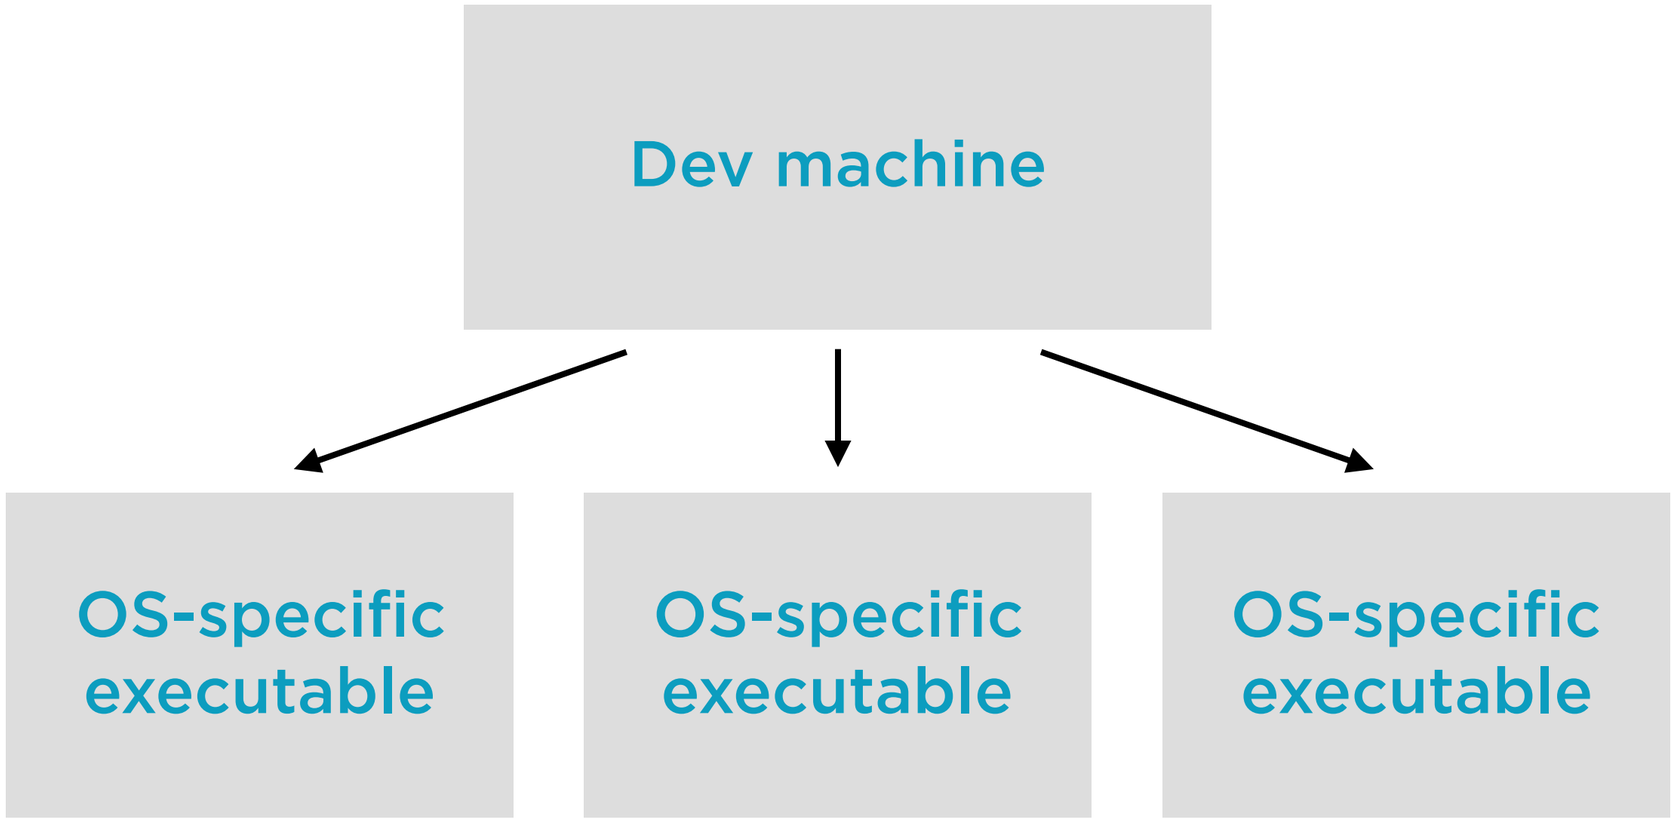
.png

Distributing an Executable



Application Formats

.app

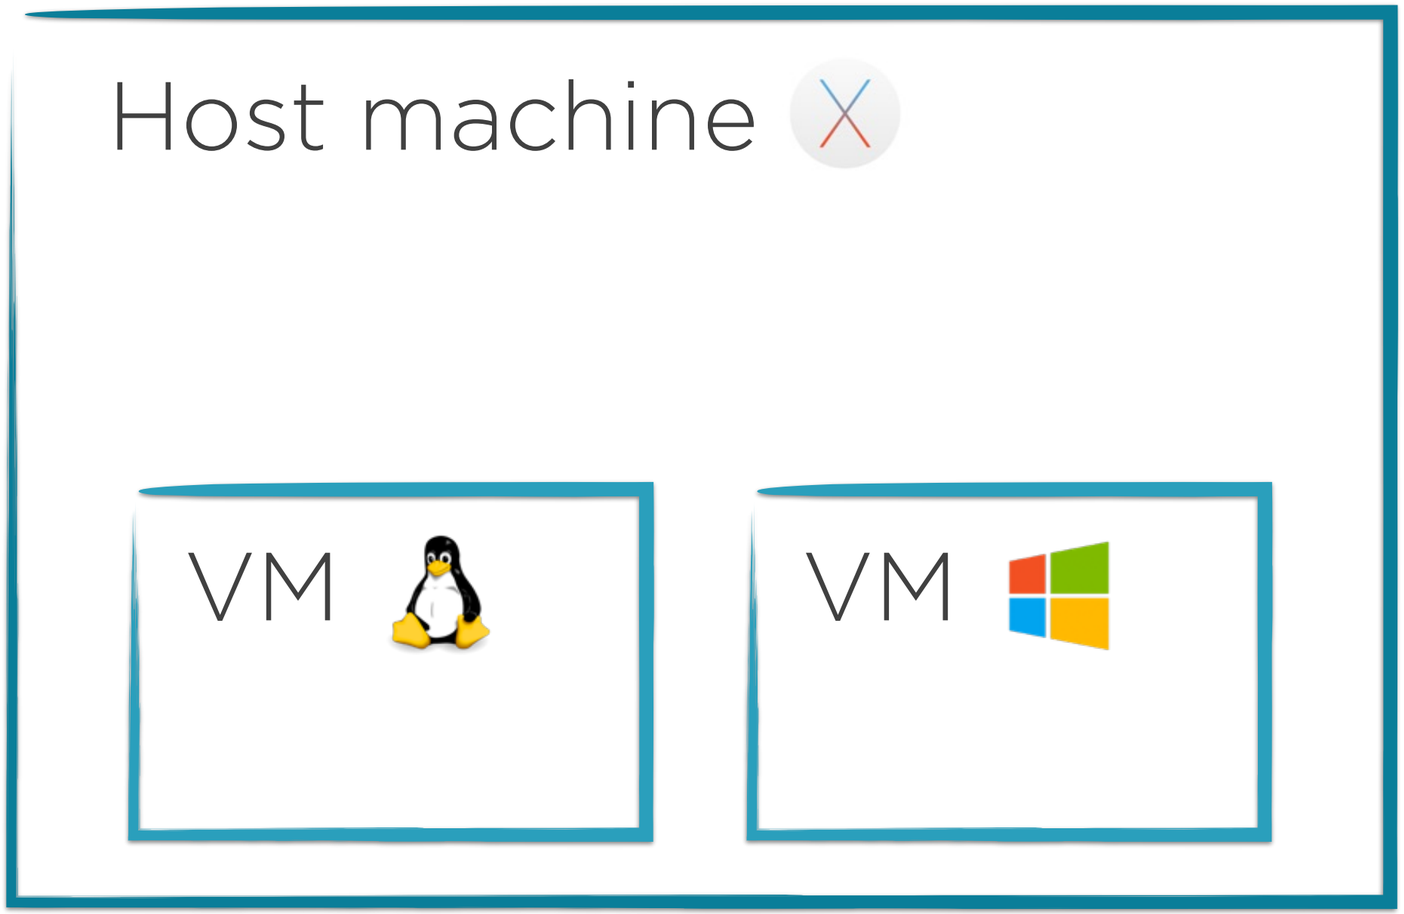
.exe

no-extension binary

Virtual machines

Still 2 extra
operating systems...

Virtual Machines



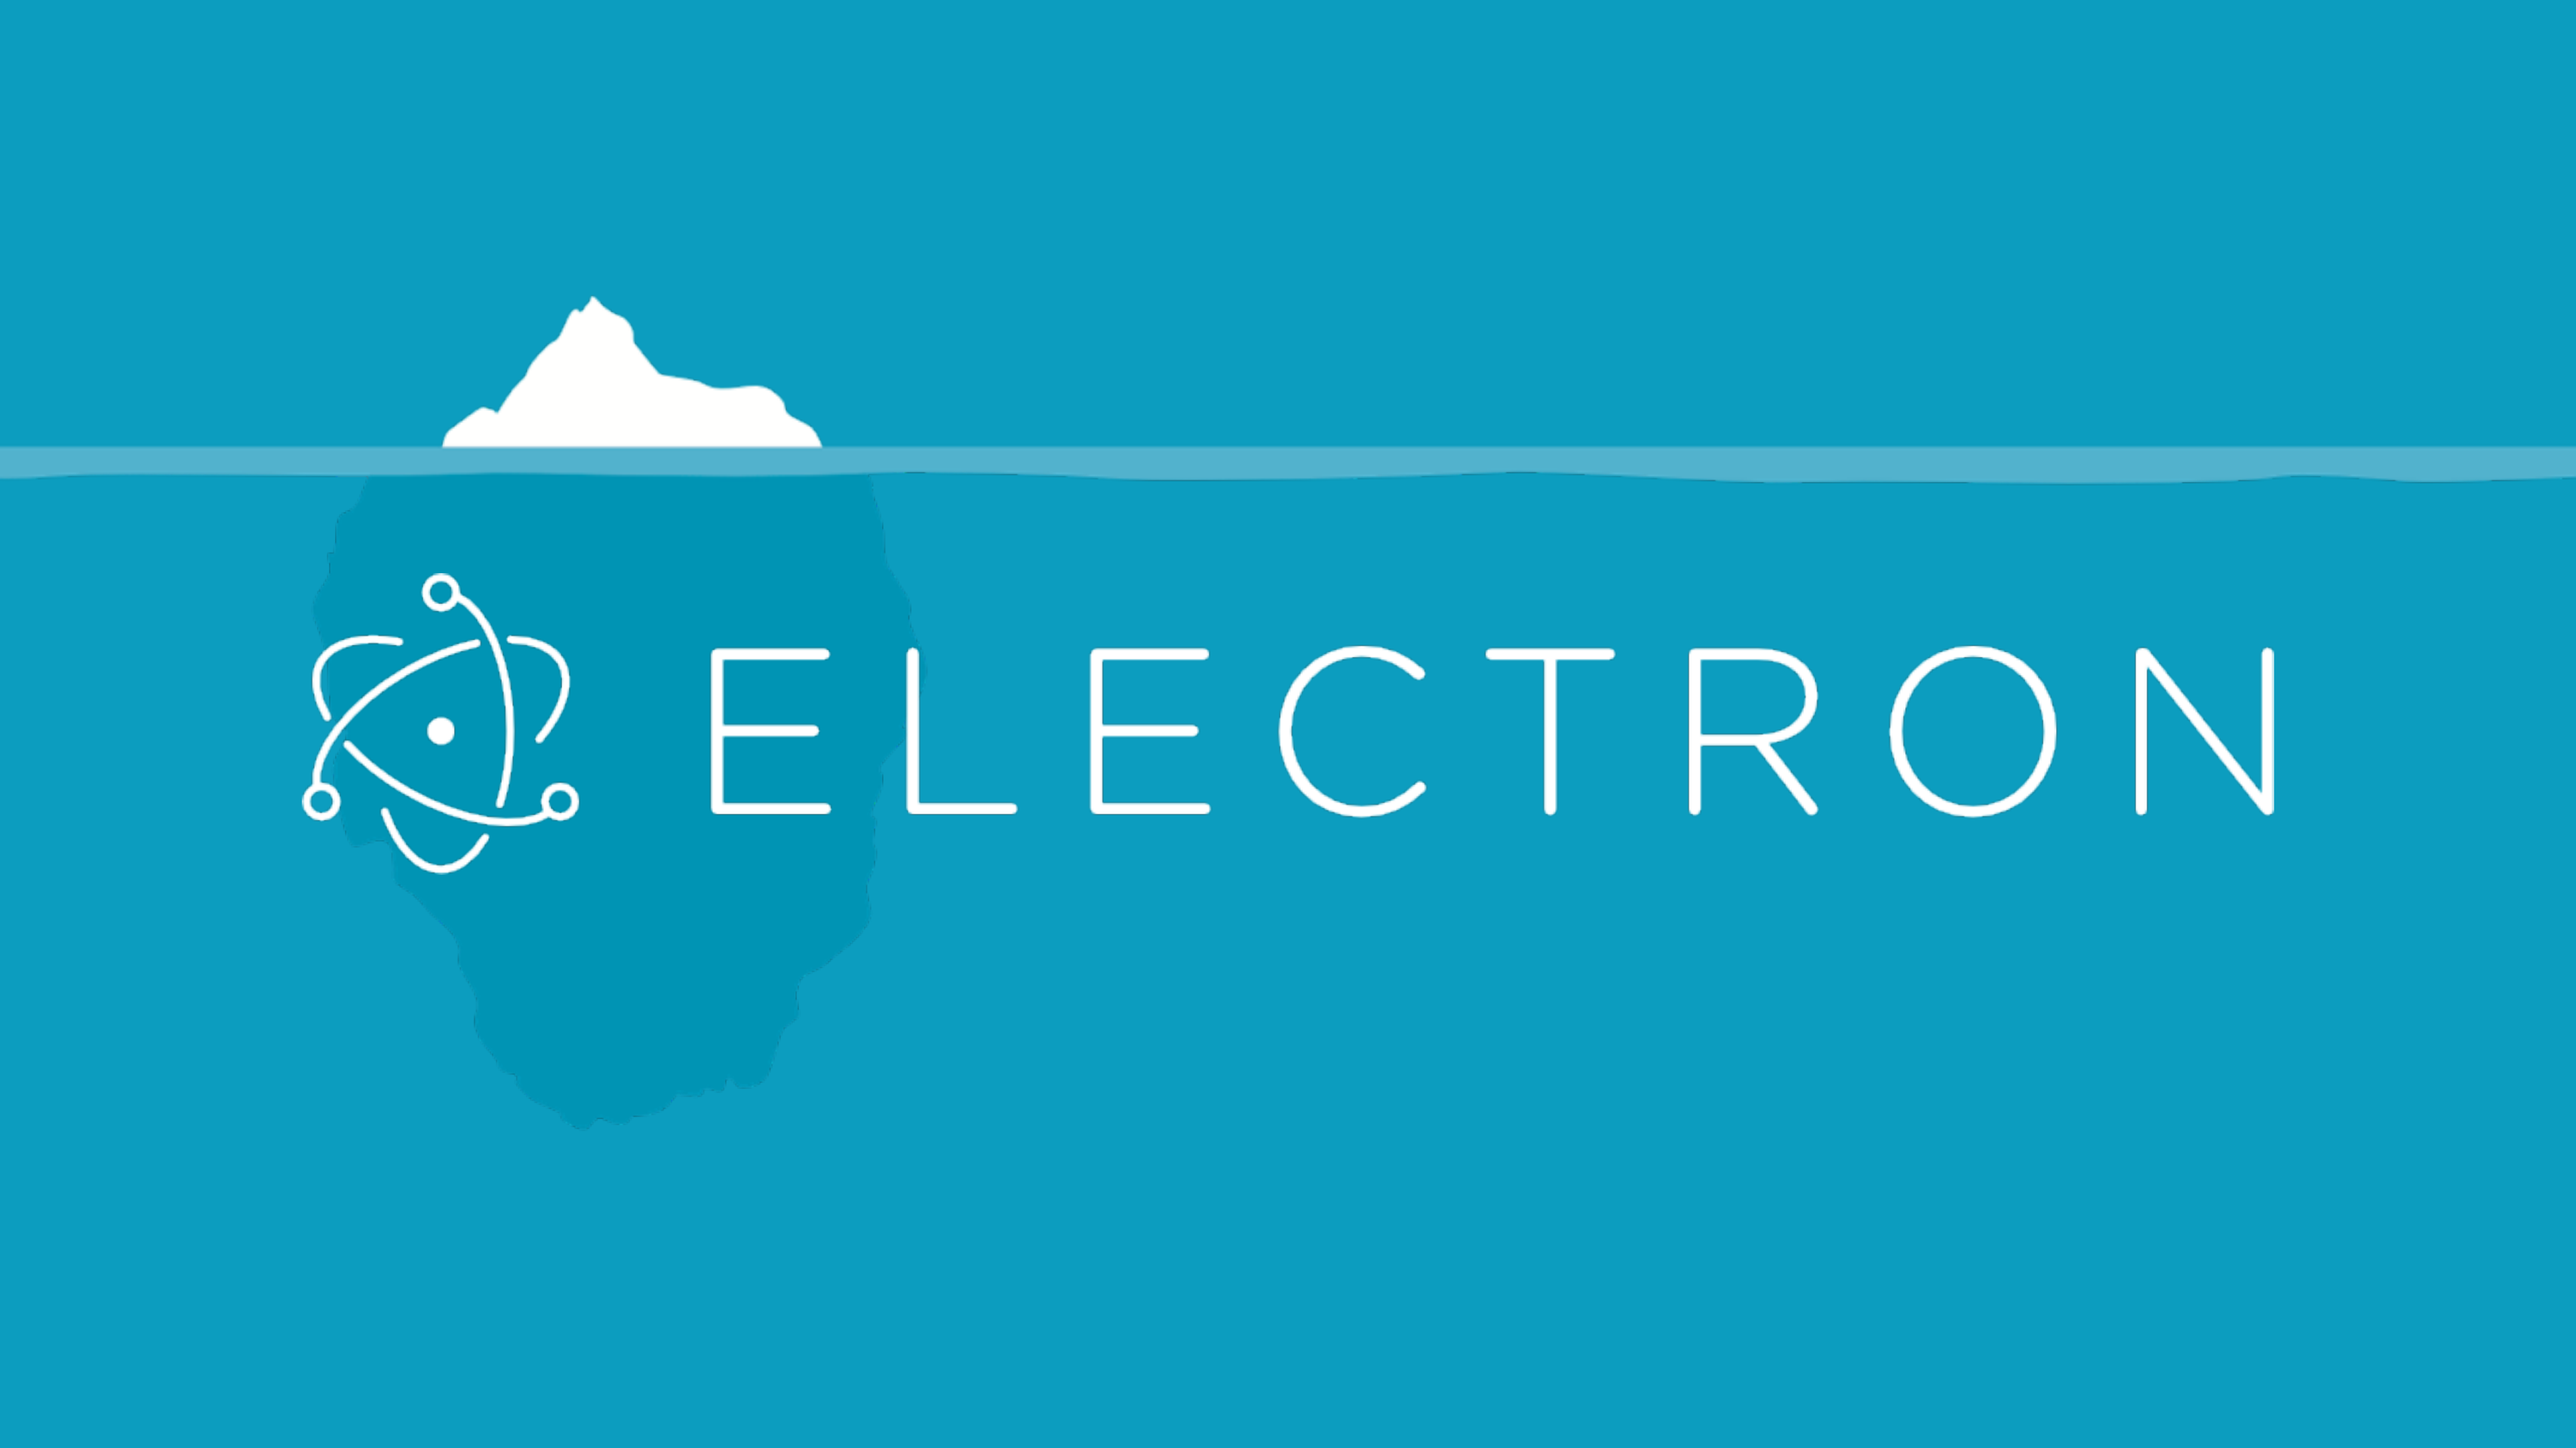
Need webcam access through VM

OS differences exist
even with Electron

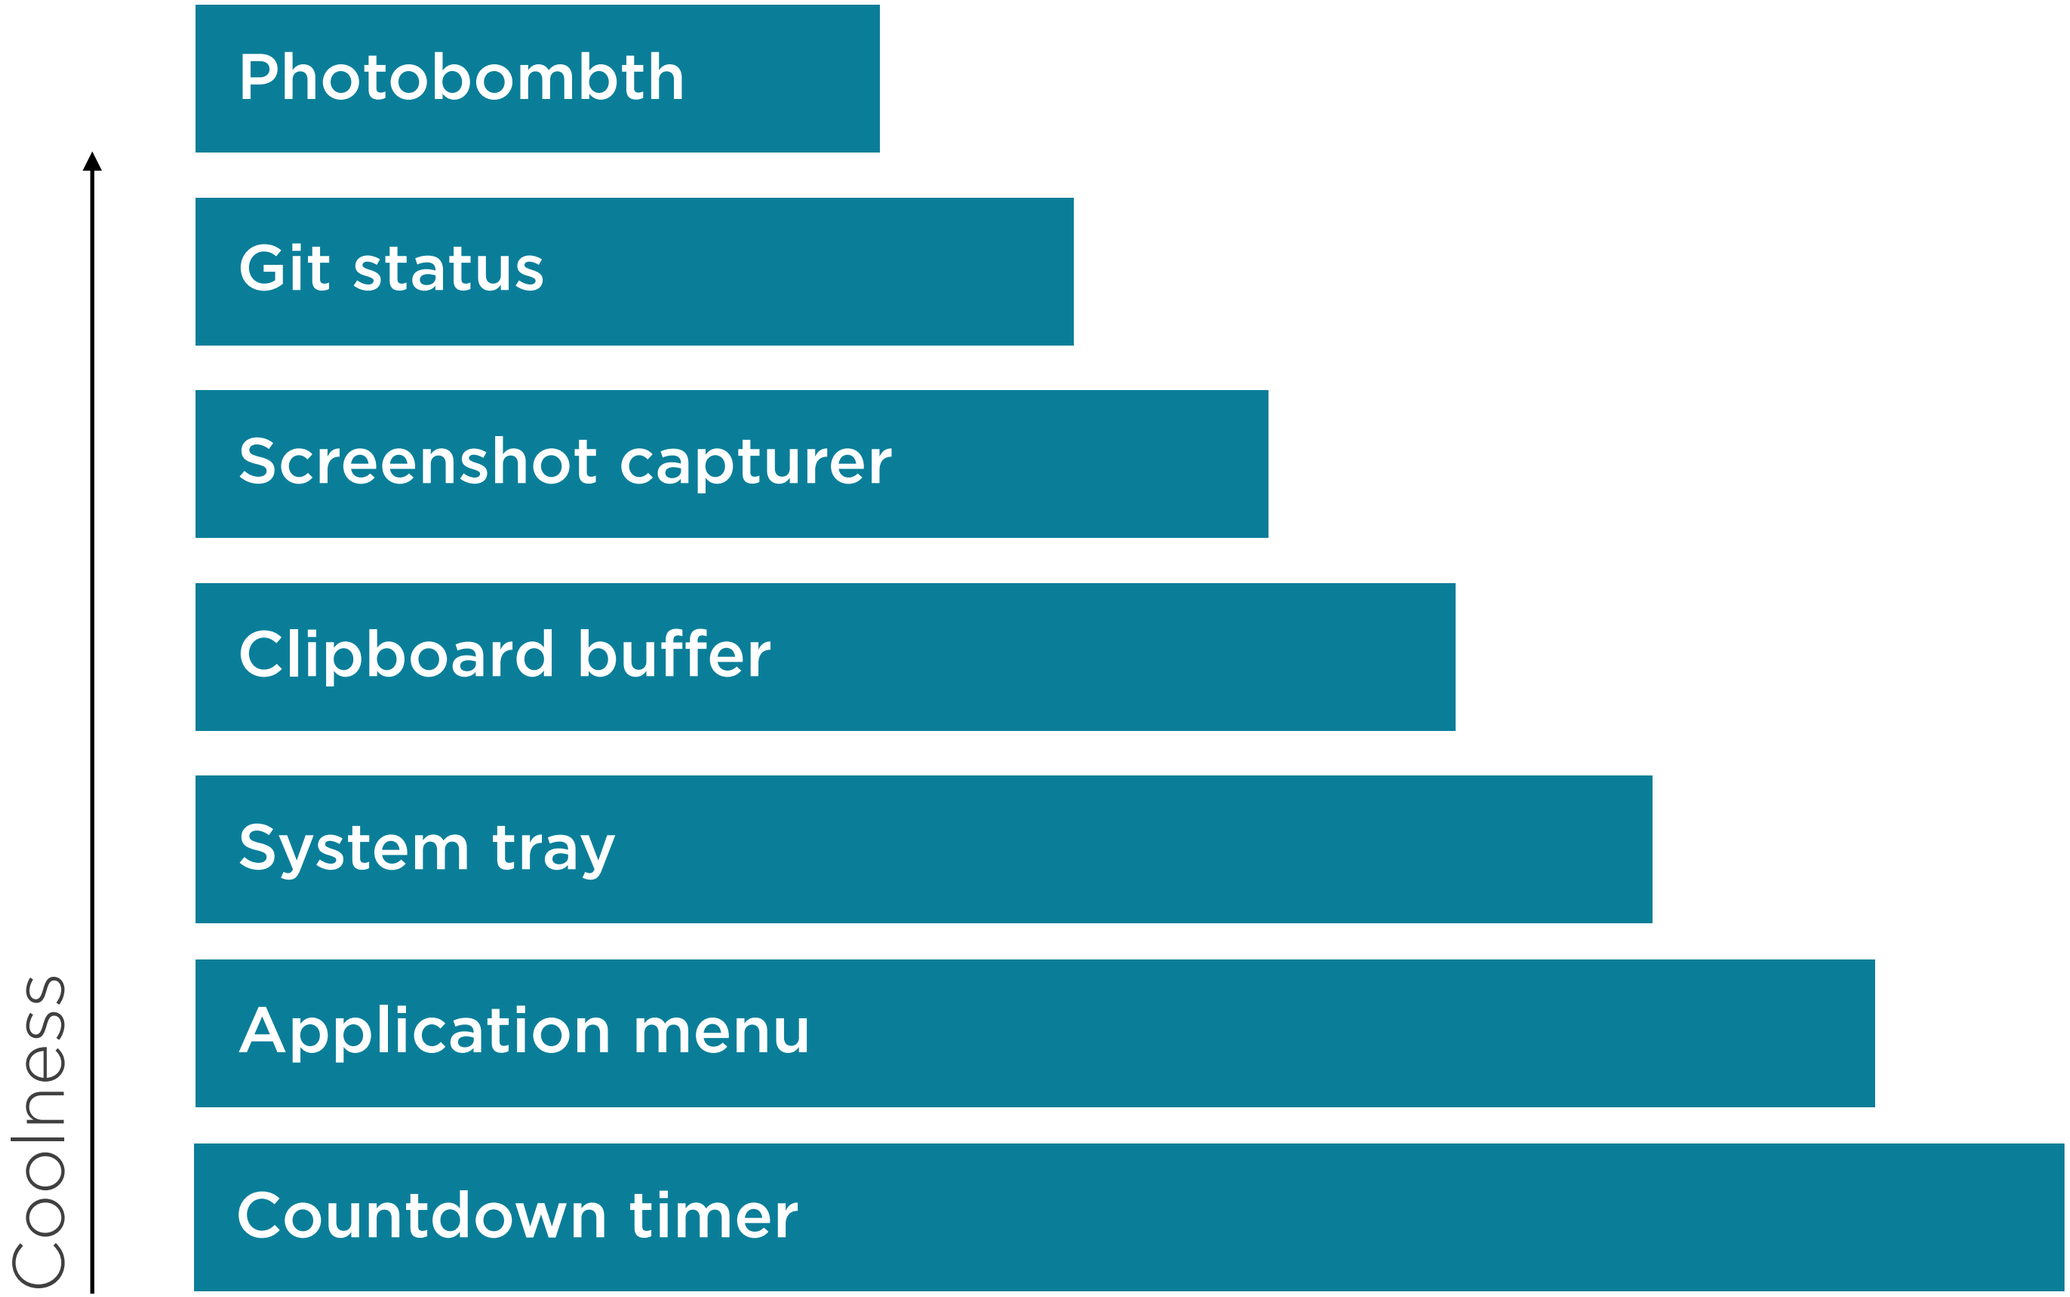
Hardware differences can affect app performance

Search for general solutions
or per-OS fallbacks

Test on target platforms throughout development



ELECTRON



Photobombth
Git status
Screenshot capturer
Clipboard buffer
System tray
Application menu
Countdown timer
Coolness
